

THE WISH SERVICE

The new WISH service provides a range of services including; testing for sexually transmitted infections, emergency and on-going contraception, rapid HIV testing, referral for termination of pregnancy, HIV post sexual exposure treatment (PEP), C-card registration and free condoms. Our clinics are free and confidential. You do not need your GP to refer you for care, nor do you need to live locally.

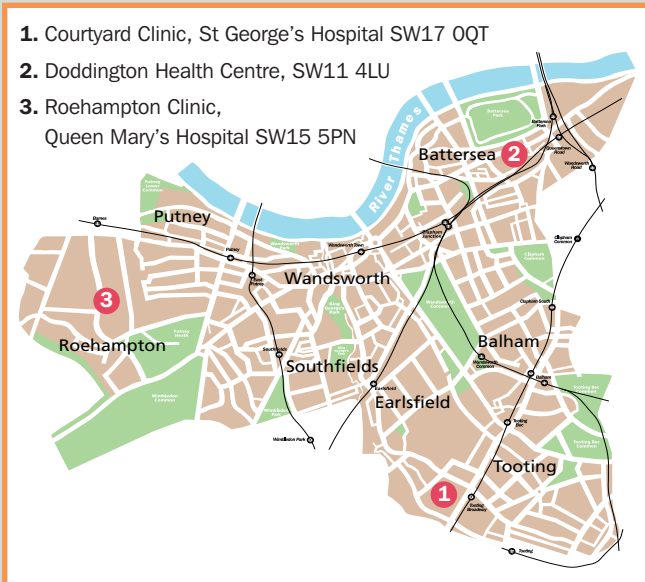

In addition WISH offers a range of specialist services including; long-acting contraception, young people's and gay men's clinics, psychosexual therapy and a service for people with learning disabilities.

There are WISH clinics in Tooting, Roehampton and Battersea. All of our clinics offer a friendly and non-judgemental service with welcoming staff.

The WISH centre is located at the **Courtyard Clinic, St George's Hospital**. This clinic offers a comprehensive sexual health and contraception service and manages complex sexual health issues.

WISH locals are based at **Roehampton Clinic, Queen Mary's Hospital** and at the **Doddington Health Centre, Battersea**. These clinics offer a routine sexual health and contraception service and are led by our nursing team.

WHERE WE ARE

For information on how to get to our clinics by public transport, please visit:
www.tfl.gov.uk/plan-a-journey/

WAYS TO ACCESS OUR CLINICS

Walk-in and wait: no appointment is necessary just attend during advertised walk-in times and wait to be seen.

Booked time slots: you will be given a time period to attend the clinic, and this should reduce your waiting in the clinic. Please call **020 8725 3353** to book a time slot.

Appointments: these are booked by phone one week in advance. Please call **020 8725 3353** to book an appointment

Please call WISH on **020 8725 3353** for advice about which clinic to attend or to book a time-slot or an appointment.
